

Hi, my name is Darlene French and I will be president of the Maine school Food service assoc. for 2010-2011. We are planning our 2nd annual Iron Chef competition at Sunday River on Tuesday August 3rd. I am inviting you to participate in our Iron chef. Also I am looking for one to do a session for the kitchen staff that gets them involved and pertaining to cooking garnishing, catering, or knife skills.

Iron chef is at 12:30 on August 3rd. We would have sessions in the late morning on Tuesday and late morning on Wednesday then the vendor show at 11:30 to 3:00.

Our theme is :SCHOOL MEALS KEEP US GOING FULL THROTTLE.

I hope that you are interested because it was wonderful last year and fun.
